The above program has been formulated according to the rules as at 5th Jan however changes may need to occur over the term. No public transport will be used however people may car pool if they comply with the regulations at the time. Unfortunately coffee shops are not available near some starting points. Picnic lunch facilities will be at the end if you wish stay. The intention is that we will walk out for 3 to 4 km and then return. Depending on conditions on the day, we may vary the distance
